THE COMPETITION: Coffee companies submit coffee entries to be judged through a blind tasting format, in 10 different categories using various brew methods. The competition is open to roasters from Australia and New Zealand.

GREEN BEAN ZONE + ROASTER SUPPLIER TRADE DAY

This initiative is designed to create a link between the green bean buyers and associated suppliers and roasters. In many cases it is quite difficult to meet face to face due to the geographical challenges in Australia / NZ and roasters only get to choose from the limited coffees that are sent to them as samples. It will also include a cupping session/buying show whereby roasters can cup a broad spectrum of origins and make purchasing decisions.

AWARDS EVENING - LIMITED SEATING | TICKETS MUST BE PRE-PURCHASED

The themed awards evening is where winning roasters receive their accolades and together with their peers celebrate the coffee industry. The themed evening is a fun chance to let your hair down after a week of intense coffee judging. This year's theme is Country.
